Bears paw School News

School Council and FBES AGMs/Meetings

Both FBES (Friends of Bears paw Education Society) and School Council held their AGMs in May. Although it was not quite as dramatic as the Alberta Provincial Election, it did bring some changes and some new faces. We thank all those volunteers that have served FBES and Council this year and thank you to everyone who stepped forward to take on the challenge of leading these valuable groups in 2015/2016. We will announce the new executives for both in the next issue.

Texas Doughnuts

FBES will hold one more fundraiser this year, Texas Doughnuts. Yep, the big, sticky, delicious delights are coming your way in June. Keep your eyes open for order forms and details near the end of May.

Thank You

We have a long list of thank yous at this time. So many people give of their time and talents to make our school a better place.

Thank you to Erica Riddell, Lorraine Edwards, Teriann Novakowski, Dawn Collings and Sherri Gessner for being chaperones at the spring fling dance.

We also want to extend an extra special thank you to Lorraine for buying and donating spring decorations for this and future dances.

FBES has a number of people stepping down from their current positions. This hardworking team has put in countless hours of effort and creativity to run numerous successful fundraisers. Their efforts have contributed to substantial improvements throughout the school.

Thank you to Rhonda Duffee (chair), Karen Duffee (vice chair), Karen Kraft (treasurer), Angie Zoobcoff (secretary), Pam Vance (volunteer co-ordinator), Maria Downey (fun lunch co-ordinator) and Rose Feighan (communications liaison).

Bears paw Preschool News

The Preschool year is coming to a close. To celebrate, the 3 year old students are going to the Spray Lakes Bouncy Houses. The 4 year old students will have a graduation celebration on Friday, June 13th to send them on to kindergarten.

Also in June, the 3 year old students will have a bike rally where they will bring in their own bikes and decorate them. Then they will ride their bikes for everyone to admire.

The 4 year old students will complete their learning of the alphabet with the letter Z, after which, they will mark the occasion with an alphabet party. They will take a trip to Safety City, as well as have a bike rally to decorate and show off their biking skills.

Father's Day is an important celebration for all of our students. To recognize their fathers, the students will make some creative and thoughtful gifts to share with their dads.

We would also like to send out a special thank you to North Caribou Air for the amazing field trip the 4 year old students were treated to in May.

Bears paw Preschool continues to accept registration for the 2014-2015 school year.

Kristen Hamilton

Plan Your Garden

Looking to start gardening this year? Before you rush out to plant your plants, be sure to plan out your garden. Research on what will grow best in the area (full sun, partial sun, shade etc.). Also make sure that the plants are compatible with each other.

Not every plant blooms at the same time, so take this into consideration, and stagger the plants. Perennials are also a great option, as they save on money and time as they can last forever in some cases. Don't forget to water regularly! Happy gardening!

The End Of School Picnic

The end of the school year is an exciting time for students and must be for school staff as well. Some of the former students of the historic one room Bearspaw School told us of the fun that they had at their end of school year picnic. The following quotes are from the *1920 Bearspaw School Oral History Project Report – 2011* by Elisa Hart, and are from the late Martha Rogowski and Tim Bancroft.

“All the schools usually went to Bowness Park for a picnic the last day of school... They had a ball game usually and they had races and they had a little bit of money so you won 15 cents or something. Parents all went, and they brought salads and they bought a big pale of ice cream.”

– Martha Rogowski

“We usually went to Bowness Park and there was the usual picnic, and foot races, a baseball game... and sack races. I can remember getting kind of mad at my mother because she was there and I wanted a penny... or five cents to ride the merry-go-round. They couldn’t understand why I would ride three miles to school and three miles home on a horse, and I wanted to go on a merry-go-round!”

– Tim Bancroft

The members of the Bearspaw Historical Society wish the children and staff of the current Bearspaw School a wonderful summer!

Four Ideas for the Perfect Father's Day

It doesn't have to be an over-the-top affair to show your dad or another father figure how much you love him. Keep things simple and treat him to a day of guy-friendly activities. Consider the following:

Spend the Day Golfing

Plan a day at his favourite “green” space, the golf course. Since it's his day, it's also a good idea to let him win this round.

Fire up the Barbecue

Spend time with the whole family and enjoy a home-cooked meal. Prepare his favourite cut of meat or surprise him with something he hasn't had before. If dad insists, let him show off his culinary skills at the grill.

Take Him Shopping

Not sure what to buy? Why not let dad pick out his own gift? Take him to his favourite store and let him pick out something that he's had his eye on.

Surprise Him With Guy Time

Let dad pick his favourite movie or television show and spend some time watching great guy movies.

Netflix recommends such greats as Thor, True Grit, Terminator 2 and Pulp Fiction, and TV series such as Top Gear, Breaking Bad, and The Walking Dead.
